Dear Parents and Carers,

You are invited to attend our SAT's information session on Monday 27th February. We would like to see all families, to ensure that you and your children are fully informed about the testing and reporting process for Year 6.

I will run two sessions to accommodate all families. During this session, we will explain the SAT's and answer any questions that you might have. You will also be able to order a SAT's revision pack for your child, which will help with homework and additional study that they do at home.

I will see you before this session to discuss your child's progress and current attainment at parents evening. We endeavour to make the testing process for your children as smooth as possible, and value your support with this.

Please complete the slip below to inform us about the session you would like to attend.

Many thanks

Mrs Perkins

Assistant Headteacher
