Achieving Together in Love and Faith

Monday 25th September 2017

Dear Parent / Carer,

Building Works

I am delighted to inform you of a recent successful bid to secure an extension and improvement of our existing school building. Such improvements will further enhance our learning environments and provide a much needed school library and other workspaces.

Although the work is regarded as 'small works' with the vast majority taking place at the front of the building I wish to reassure you that at every stage our children's safety will be paramount. The building program commences this week and is due for completion in February 2018.

The improvements are a welcome addition to our already thriving school and we look forward to its completion. Our school council will be contributing towards the final design and providing regular feedback to their classes.

I would like to invite you to a viewing of the extension and alteration plans on **Friday 29th September at 3pm in the main hall.**

Yours sincerely

Mrs Z. L. Cooper
